NEWS

■ Breaking News ■

Bill to postpone cuts clears House by solid margin

The House overwhelmingly approved on a 349-62 vote a bill that would place a one-year moratorium on seven Medicaid regulations that critics charge would cut billions of dollars of federal funding for hospitals and other Medicaid providers. ... [FULL STORY](#)

■ Other News Today ■

Okla. cardiology group joins hospital as heart center is built

Hillcrest Medical Center, Tulsa, Okla., said the Oklahoma Heart Institute, a Tulsa-based cardiology... ... [FULL STORY](#)

Report cites rise in C. difficile infections

Hospital-acquired infections caused by Clostridium difficile bacteria more than doubled from 2001... ... [FULL STORY](#)

OPINION

■ Editorial ■

Physician-owned hospital debate gets nastier

We thought March's antitrust settlement of a lawsuit by a doc-owned specialty hospital against hospital systems and insurers that the doctors claimed were conspiring to put them out of business would... ... [FULL STORY](#)

■ Letters ■

The ironic aspect of patient satisfaction

Those of us who start these projects have been so completely frustrated with our exclusion from the... ... [FULL STORY](#)

■ Guest Commentary ■

Health insurers join push to end 'never events'

Troyen Brennan, M.D.

Making healthcare safer is one area where there is vigorous agreement among all constituents—it... ... [FULL STORY](#)
