- Personal move management coordination with a single point of contact
- Ongoing verbal and written communication with the transferee and family
- Transferee counseling on your company's relocation procedures and policies
- Coordination of moving services between the carrier and other service providers
- No cut offs during peak season shipments
- Accountability
- Guaranteed year-round-pricing
- Free valuation up to \$100,000 per shipment
- Customized online reports available 24h hours a day, seven days a week
- Credit terms

CITYPOINTE™

We are also pleased to offer CityPointe, a unique service that helps your transferees feel at home in their new surroundings. CityPointe has many terrific benefits for your employees, including...

- Information about their new community including demographics, climate, education, health, housing and more!
- Realtor Recommendations. Your transferees may be available for cash reimbursements at origin and/or destination, based on their use of CityPointe services and the value of their home they're buying and selling.
- Mortgage Assistance. CityPointe partners with national lenders to assist transferees in financing their home.
- Administration, including lumps sum program consultation, calculation, coordination and tax reporting.

Gemini Moving Specialists and United Van Lines are...

- **Focused.** Moving is our only business, and national accounts are United's core business.
- **Connected.** We have a fully integrated international computer network and provide real-time satellite shipment tracking.
- **Experienced.** United Van Lines has been serving American families for more than 60 years.
- **Committed.** As the No. 1 household mover in America, United Van Lines has more than 480 agents and a fleet of nearly 8,700 vehicles.
