How we did it

Welcome to the 2009 50 Most Powerful Physician Executives recognition program. *Modern Physician* and sister publication *Modern Healthcare* co-sponsor this annual recognition program. Voting has closed for the fifth annual ranking of the 50 Most Powerful.

From Dec. 8, 2008, through Jan. 9, readers submitted more than 4,300 nominations. The final ballot was based on those nominations. Voting began on Jan. 26 and continued through March 6, with more than 27,600 votes cast during that period. The 50 physicians who received the most votes will make the final list, with the ranking determined by the number of votes received. *Modern Physician* and *Modern Healthcare* reserve the right to resolve voting irregularities.
